STATEMENT IN SUPPORT OF PETITION UNDER 37 1.47(b)

Commissioner for Patents
Office of PCT Legal Administration
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

I, Ena Pugatsch, am a partner in the law firm of Reinhold Cohn & Partners, located in Tel Aviv, Israel. I hereby state that I have first-hand knowledge of the facts below regarding the situation in which the inventor refused to sign a valid declaration/oath that was presented to him.

Statement of Facts of which I have personal knowledge:

- 1) The international application was timely filed as a PCT Application on 1 July 2004.
- 2) The inventor, Boaz Cohen, signed a Combined Declaration and Power of Attorney on 20 July 2004 for the subject application.
- 3) The inventor, Boaz Cohen, also signed an assignment document in which the rights of the invention were assigned to NETAFIM (A.C.S.) LTD. on 20 July 2004.
- 4) It was later discovered that the Combined Declaration and Power of Attorney lacked a declaration in accordance with 35 U.S.C. 25. A corrected Combined Declaration and Power of Attorney (hereinafter 'the corrected Declaration') was sent by e-mail to NETAFIM (A.C.S.) LTD. on November 23, 2004, as a matter of course, but

Attorney Docket No. 26886U

Page 2

was never returned, signed, to our offices. On December 30, 2004, after several telephoned reminders were made during the interim, NETAFIM (A.C.S.) LTD. informed us that the inventor was refusing to sign the corrected Declaration.

- 5) On February 17, 2005, a letter signed by me with the corrected Declaration and a copy of the application, was sent to the inventor at his address of 4 Harav Kook St., Hadera 38133, ISRAEL, and we have received a confirmation of delivery, signed for by the inventor, showing that the letter was delivered in person to the inventor on March 2, 2005. A translation of the letter has been provided previously filed, along with a copy of the date-stamped confirmation of delivery, also translated.
- 6) Mr. Cohen did not sign or return the declaration.
- 7) On March 29, 2005, Ilanit Lachman, our foreign filing administrator, spoke with the inventor, who informed her that he was not going to sign the declaration since he was fired. He said that, would he continue working at Netafim or would he be paid for signing the declaration, he would be prepared to sign.
- 8) On April 5, 2005, I had a telephone conversation with the inventor, in which I brought to his attention the fact that it is his obligation as an inventor of a service invention, according to Israel Patent Law, to cooperate with his former employer and, particularly, to sign all necessary documents. After this conversation, my secretary Lea Gelman sent to the inventor, as requested by him, relevant extracts from the Israel Patent Law.
- 9) On April 17, 2005, I called the inventor again and he promised to check the matter and provide me with his reply in a week.
- 10) Starting on April 27, 2005 and every few days thereafter, my secretary Lea Gelman left telephone messages on Mr. Cohen's cell phone no. of 054-8066123.

- 11) On June 6, 2005, my secretary Lea Gelman was able to reach Mr. Cohen and connect me to him by telephone at his place of employment at Plastiro Gvat, ISRAEL. During this conversation, Mr. Cohen promised to return the corrected declaration to us but did not do so.
- 12) On June 7, I sent another letter to the inventor, summarizing our earlier contacts. To be on the safe side, I attached to this letter again the corrected Declaration and a copy of the application, for delivery to the inventor at his address of % Harav Kook St., Hadera 38133, ISRAEL. We have received a confirmation of delivery showing, signed for by the inventor, that the letter was delivered in person to the inventor on June 24, 2005. A translation of the letter has been previously provided, along with a copy of the date-stamped confirmation of delivery, also translated.
- 13) Mr. Cohen did not sign or return the declaration. As of the date of this statement of facts, Mr. Cohen has not signed nor returned the declaration.
- 14) On January 11, 2006, Mr. Erez Zimhoni, who is the Intellectual Property and Research & Development Manager, for NETAFIM (A.C.S.) LTD., signed a document for signature by a person to whom the inventor has assigned the invention or a person with sufficient proprietary interest, on behalf of a nonsigning inventor who refuses to sign or cannot be reached under 37 CFR 1.47(b)
- 15) With this document and the filing of the application under 35 U.S.C. 371, with attachments listed on the transmittal letter submitted with the application, NETAFIM (A.C.S.) LTD. makes the application on behalf of the inventor.

It is respectfully requested that NETAFIM (A.C.S.) LTD. be permitted to make application on behalf of the inventor. Submitted previously was the proof of the pertinent facts, a showing that such action is necessary to preserve the rights of the parties and to
